Ms. Martin announced the public hearing to consider the application of Benton Road Properties, LLC, to the Bossier City-Parish MPC for a zoning amendment to change the zoning classification of a 20.88 acre tract of land located in Section 29, Township 19 North, Range 13 West, Bossier Parish, LA, (southeast corner of Benton Road and Lafitte Lane) from R-A, Residential Agriculture District, to R-MD, Residential Medium Density District, for an apartment complex. (Favorable recommendation by the Bossier City-Parish MPC subject to requesting north and south bound deceleration lanes on Louisiana Highway 3 from the Louisiana Department of Transportation and Development.) Mr. Rob Stinson, developer, Mr. Richard LeBlanc, Mr. Ken Smith and Mr. Jeff Dunman, were present.

Mr. Cummings asked if the requested turn lanes are to be completed before or after project completion. Mr. Sam Marsiglia, Bossier City-Parish MPC, stated that the MPC has recommended that Mr. Stinson work with the Louisiana Department of Transportation and Development on this matter. Mr. Ford, Parish Engineer, stated that representatives of the Department of Transportation and Development have indicated that both north and south bound deceleration lanes on Highway 3 will be required. He stated that a traffic count on Lafitte Lane has been performed, and stated that there will be a substantial increase in traffic at this intersection upon completion of the proposed apartments. Mr. Ford stated that the cost for construction of the turn lanes is approximately \$75,000 each.

Mr. Randy Call stated that he resides at the intersection of Audubon and Lafitte. He stated that he is not opposed to the proposed apartments, but is concerned regarding increased traffic at the intersection of Lafitte Lane and Highway 3.

After discussion, **motion was made by Mr. Avery, seconded by Mr. Cochran, to approve the application of Benton Road Properties, LLC, for a zoning amendment, as presented, with the stipulation that north and south bound deceleration lanes on LA Highway 3 are to be installed by the developer prior to occupancy of the proposed apartment complex. Motion carried unanimously.**

Motion was made by Mr. Avery, seconded by Mr. Williams, to request that the Louisiana Department of Transportation and Development be requested to provide funding for construction of north and south bound deceleration lanes on Highway 3 at its intersection with Lafitte Lane. Motion carried unanimously.

The ordinance was offered by Mr. Avery, seconded by Mr. Cochran. Upon unanimous vote, it was duly adopted on this 3rd day of August, 2005.

CHERYL G. MARTIN
SECRETARY-TREASURER

JEFF ROGERS, PRESIDENT
BOSSIER PARISH POLICE JURY

Ms. Martin announced the public hearing to consider a request of the Bossier City-Parish MPC for an amendment to the Unified Development Code pertaining to hours of operation. Mr. Sam Marsiglia, Bossier City-Parish MPC, stated that the purpose of the proposed changes is to protect residential areas. He stated that the changes apply to businesses located on property zoned B-2, Limited Business District, or B-3, General Business District, within 300 feet of residentially zoned property, excluding the R-A District. There being no opposition, **motion was made by Mr. Hammack, seconded by Mr. Cochran, to approve the request of the Bossier City-Parish MPC for an amendment to the Unified Development Code, as presented. Motion carried unanimously.**

ORDINANCE NO. 4049

AN ORDINANCE TO AMEND ORDINANCE 126 OF 2003 TO AMEND THE UNIFIED DEVELOPMENT CODE TO REFLECT CHANGES RELATING TO HOURS OF OPERATION IN THE B-1; COMMERCIAL OFFICE DISTRICT, B-2; LIMITED BUSINESS DISTRICT AND THE B-3; GENERAL BUSINESS DISTRICT.

BE IT ORDAINED, that the following Subsections in the Unified Development Code are amended to read as follows:
Subsection 15.5.6 Hours of Operation

A. Commercial Districts

1. In the B-1; Commercial Office District, no commercial establishment shall be open for business before 6:00 a.m. and after 7:00 p.m.
2. In the B-2; Limited Business District, no retail or service establishment shall be open for business before 6:00 a.m. and after 12:00 a.m.

Subsection 15.5.7 Limited and Extended Hours of Operation

- A. Retail and Service establishments in the B-2 and B-3 zoning classifications when located within 300' of a residentially zoned property, excluding the R-A, are limited in hours of operation. Measurements shall be made in a straight line, without regard to intervening structures or

- objects, from the nearest property line of the commercial establishment to the nearest property line of the residentially zoned property. The limited hours of operation are as follows:
1. In the B-2; Limited Business District, no retail or service establishment shall be open for business before 6:00 a.m. or after 10:00 p.m.
 2. In the B-3; General Business District, no retail or service establishment shall be open for business before 6:00 a.m. or after 12:00 a.m. .
- B. Retail and Service establishments desiring to be open longer than the above stated hours may be permitted as a Conditional Use as described in Section 3.3.2, subject to any or all of the following conditions:
1. Extended hours of operation in the B-2; Limited Business District is limited to 12:00 a.m.
 2. Public hearing notification will follow the same procedure as for a Zoning Amendment.
 3. Parking areas shall be configured so as to prevent vehicular headlights from shining into nearby residentially zoned property. Landscaping buffers and screening shall be maintained in accordance with Article 13. Delivery trucks shall only be permitted between the hours of 7:00 a.m. and 9:00 p.m.
 4. All exterior site and building lighting shall comply with requirements of Article 12. Ingress and Egress drives and primary circulation lanes shall be located away from residential areas where practical to minimize vehicular traffic and noise which may be a nuisance to adjacent residential areas.
 5. All building entrances and exits intended to be utilized by patrons shall be located on the side or sides of the building which do not abut residentially zoned property, whenever possible, to minimize the potential for patrons to congregate and create noise which may become a nuisance to adjacent residential
 6. For any Conditional Use approval for extended hours of operation, the Planning Commission may limit hours of operation during certain days of the week, month, or year as deemed necessary to protect the surrounding residential property.

BE IT FURTHER ORDAINED, that Table 15.5.6 is deleted from the Unified Development Code.

The ordinance was offered by Mr. Hammack, seconded by Mr. Cochran. Upon unanimous vote, it was duly adopted on this 3rd day of August, 2005.

SECRETARY-TREASURER

JEFF ROGERS, PRESIDENT
BOSSIER PARISH POLICE JURY

Ms. Martin announced the public hearing to consider the relocation of a drainage easement located between 420 and 412 Clover Lane, Lots 11A and 12, Lucky Estates Subdivision, Bossier Parish, Louisiana. Mr. Adam Willard, property owner, advised that he owns Lots 11A, 12 and 13, and stated that he plans to sell lots 11A and 12, and build a house on Lot 13. He stated that a drainage ditch is located across Lots 11A and 12, and requested that the police jury consider moving the easement to the property line of Lots 11A and 10B. Mr. Willard stated that he will donate a 15- foot drainage easement at this location, and advised that an engineer has provided drawings of the proposal. Mr. Ford, Parish Engineer, stated that he needs to review engineering information and that input from adjacent landowners regarding the proposed relocation is needed.

Motion was made by Mr. Shell, seconded by Mr. Cochran, to continue the public hearing to consider relocation of a drainage easement located between 420 and 412 Clover Lane, Lots 11A and 12, Lucky Estates Subdivision, Bossier Parish, Louisiana, to be held on September 7, 2005, and to notify all adjoining landowners. Motion carried unanimously.

Ms. Martin announced the public hearing to consider approval of the plats of the proposed development of Lakewood Subdivision, Unit No. 8, and Lakewood Subdivision, Unit No. 9, located in Section 26, Township 19 North, Range 13 West, Bossier Parish, LA. Mr. Ed Kennon, developer, was present. Mr. Jackson, Parish Attorney, stated that he understands that Mr. Kennon has agreed to participate with the City of Bossier City in the cost of improvements to water service in this area. He stated that the proposed improvements should eliminate water pressure problems. **Motion was made by Mr. Mitchell, seconded by Mr. Shell, to approve the plats of the proposed development of Lakewood Subdivision, Unit No. 8, and Lakewood Subdivision, Unit No. 9, subject to Mr. Kennon's participation with the City of Bossier in the cost of improvements to water service in this area. Motion carried unanimously.**

Motion was made by Mr. Meachum, seconded by Mr. Darby, to schedule a public hearing on September 7, 2005, to consider the application of Chesapeake Energy Corporation for a zoning amendment to change the zoning classification of a 30.895 acre tract of land located in Section 13, Township 17 North, Range 12 West, Bossier Parish, LA, from R-A, Residential-Agriculture District, to I-1, Light-Industry District, for an office and vehicle service. Motion carried unanimously.

Motion was made by Mr. Hammack, seconded by Mr. Johnston, to schedule a public hearing on September 7, 2005, to consider a request of the Bossier City-Parish MPC for amendments to the Unified Development Code to (1) establish standards for portable storage containers, (2) reflect changes relating to procedures and administration, (3) pertaining to the placement of manufactured housing within the jurisdiction of the Bossier City-Parish MPC, and (4) pertaining to subdivision regulations. Motion carried unanimously.

Motion was made by Mr. Avery, seconded by Mr. Darby, to schedule a public hearing on September 7, 2005, to consider the application of B3- 2C Storage, LLC, for a zoning amendment to change the zoning classification of a 3.83 acre tract of land located in a portion of Lot 1, Buckhall Subdivision, in Section 19, Township 19 North, Range 13 West, Bossier Parish, LA, from R-A, Residential-Agriculture District, to B-3, General Business District, for a mini-storage warehouse facility. Motion carried unanimously.

Motion was made by Mr. Cochran, seconded by Mr. Mitchell, to schedule a public hearing on September 7, 2005, to consider the application of Alan Fox for a zoning amendment to change the zoning classification of

Parcel 1812163E of the Records of the Bossier Parish Tax Assessor, being a tract of land located in Section 16, Township 18 North, Range 12 West, Bossier Parish, LA, from RT, Racetrack District, to R-A, Residential-Agriculture District, for a mobile home. Motion carried unanimously.

Mr. Ford, Parish Engineer, stated that a policy for existing subdivisions needs to be established in the matter of "no drainage impact" regulations which were adopted on July 27, 2005. Mr. Jackson, Parish Attorney, suggested that a time frame be established in which the development of existing masterplanned subdivisions must be completed, advising that if an existing masterplanned subdivision is not developed within the established time frame, the developer would be required to complete any additional units in accordance with new drainage regulations. Mr. Charles Coyle, Coyle Engineering, Co., Inc., stated that it will be very expensive for developers if they are required to bring an existing development into compliance with new regulations.

After discussion, motion was made by Mr. Cummings, seconded by Mr. Hammack, to table this matter for further review. Motion carried unanimously.

Mr. Gary Fontana, GNF Management Co., Inc., discussed the FY2006/2007 Louisiana Community Development Block Grant Program, advising that the selection of two projects for funding through the program is necessary.

Motion was made by Mr. Cummings, seconded by Mr. Johnston, to adopt Citizen Participation Plan/Citizen Complaint Procedure in connection with funding through the FY 2006/2007 Louisiana Community Development Block Grant Program. Motion carried unanimously.

Motion was made by Mr. Hammack, seconded by Mr. Cochran, to appoint Mr. Altimus as Citizen Complaint Officer in connection with funding through the FY 2006/2007 Louisiana Community Development Block Grant Program. Motion carried unanimously.

Mr. Fontana stated that improvements to the East Benton Subdivision, which were previously discussed by the police jury, were not eligible for funds in the previous funding cycle as the Demoss Hill sewer project was not complete. **Motion was made by Mr. Johnston, seconded by Mr. Darby, to proceed with an application for funding through the Louisiana Community Block Grant Program, for street and sewer improvements in the East Benton Subdivision area, Benton, LA. Motion carried unanimously.**

Motion was made by Mr. Hammack, seconded by Mr. Cochran, to authorize the procurement and selection of professional services for the purpose of assisting in the development of the FY 2006/2007 LCDBG application and implementation of the project. Motion carried unanimously.

Mr. Ford presented pictures of the courthouse addition/renovation project, and provided a progress report on the project.

Mr. Ford reported that he has received complaints regarding various ditches in the parish, advising that ditch maintenance is becoming a problem. He requested that the police jury consider appropriating \$50,000 in 2005 to begin paving ditches in problem areas. **Motion was made by Mr. Shell, seconded by Mr. Williams, to appropriate \$50,000 to begin paving ditches which are owned by the police jury and located in problem areas of the parish. Motion carried unanimously.**

Motion was made by Mr. Meachum, seconded by Mr. Johnston, to authorize the advertising for bids for the in-place cement stabilized base course and two (2) inch asphaltic wearing course of approximately 5.00 miles of the Johnson/Fairview Road, bids to be received September 7, 2005. Motion carried unanimously.

Motion was made by Mr. Williams, seconded by Mr. Mitchell, to approve a 2005 appropriation of \$25,000 to begin preliminary engineering work for the Linton Road, Bellevue Road, and Wemple Road improvement projects. Motion carried unanimously.

Motion was made by Mr. Meachum, seconded by Mr. Mitchell, to approve an expenditure of \$10,000 for stump removal at Lake Bistineau, and to provide signage on the Bossier Parish side of the lake. Motion carried unanimously. The staff is to research the availability of Rural Development funding for this project.

Jurors were provided copies of the 2004 Bossier Parish Police Jury audit.

Ms. Martin advised that the Region IV Police Jury Association meeting will be held in Sabine Parish on September 9, 2005.

Ms. Martin reviewed budget information on the current construction projects. She stated that it is recommended that an additional amount of approximately \$1.5 million be transferred from the Highway Fund to the Airline Drive Fund in 2005 for completion of the Airline Drive 5-Lane Expansion Project. **Motion was made by Mr. Shell, seconded by Mr. Johnston, to approve a transfer of an additional amount of approximately \$1.5 million from the Highway Fund to the Airline Drive Fund in 2005 for completion of the Airline Drive 5-Lane Expansion Project. Motion carried unanimously.**

Ms. Martin reviewed the Capital Projects Fund, advising that adequate funding is available to complete the courthouse and jail construction projects.

Mr. Cathcart, Public Works Director, reported that the 2005 Road Overlay Program is going well. He advised of a request from the City of Bossier City for assistance in preparing for the tennis courts at the North Bossier Park. Mr. Cathcart stated that approximately 4,000 cubic yards of dirt is needed, and that the construction of six pads is requested. **Motion was made by Mr. Avery, seconded by Mr. Mitchell, to authorize the highway department to assist in preparing for construction of tennis courts at the North Bossier Park.** Mr. Shell requested a report on the police jury's total expenditures to date at the park, to be presented at the August 17, 2005 regular meeting.

There was discussion of any remaining funds in the 2005 Road Overlay Program. Jurors are to review roads within their district for possible inclusion in the 2005 road program if there are remaining funds available. The matter is to be discussed at the August 17, 2005 regular meeting.

Mr. Avery expressed appreciation to Mr. Jackson for attending a meeting of the Rosedale Place homeowners association. He advised of the need for clean-up of a construction road/ditch behind Rosedale Place. Mr. Jackson is to request that the landowner clean up this area.

Motion was made by Mr. Williams, seconded by Mr. Cochran, that Jessie Jones Drive be posted at 35 miles per hour, in accordance with Ordinance No. 514 of October 8, 1968. Motion carried unanimously.

Motion was made by Mr. Williams, seconded by Mr. Hammack to establish a dress code for persons attending police jury meetings, in accordance with the current dress code for persons entering the courtrooms. Motion carried unanimously.

Mr. Avery advised that a wire fence has been placed across the entrance road to Family Subdivision. The owner of the fence is to be advised that the fence must be removed.

In response to Mr. Shell, Mr. Jackson, Parish Attorney, advised that he is working on a resolution urging a feasibility study for four-laning the Jimmie Davis Bridge. Mr. Ford, Parish Engineer, advised that new traffic counts are being done at this location.

Mr. Shell urged the jury to pursue regulations to establish a time frame in which developers are to complete the development of a masterplanned subdivision. The matter was referred to the Subdivision Regulations Committee.

Motion was made by Mr. Cochran, seconded by Mr. Johnston, to schedule a public hearing on September 7, 2005, to discuss expropriation proceedings for the acceptance of Riverbend Road into the parish road system. Motion carried unanimously. All landowners on Riverbend Road are to be notified.

Mr. Cochran advised that he is pursuing the matter of prescription discount cards through NACo.

Motion was made by Mr. Johnston, seconded by Mr. Mitchell, to establish a 30 mile per hour speed limit on Peace Lane located off the Old Plain Dealing Road. Motion carried unanimously.

ORDINANCE NO. 4050

AN ORDINANCE REGULATING THE SPEED OF VEHICLES ON PEACE LANE, LOCATED OFF THE OLD PLAIN DEALING ROAD IN SECTION 34, TOWNSHIP 21 NORTH, RANGE 14 WEST, BOSSIER PARISH, LOUISIANA, AND PROVIDING THE PENALTIES FOR VIOLATION THEREOF.

SECTION 1. BE IT ORDAINED by the Bossier Parish Police Jury in regular and legal session convened on this 3rd day of August, 2005, that from and after the effective date of this ordinance, it shall be unlawful for any person to operate or drive a vehicle upon Peace Lane, located off the Old Plain Dealing Road, in Section 36, Township 21 North, Range 14 West, Bossier Parish, Louisiana, in excess of Thirty (30) miles per hour.

SECTION 2. BE IT FURTHER ORDAINED, etc., that all ordinances or parts of ordinances in conflict herewith are hereby repealed.

The ordinance was offered by Mr. Johnston, seconded by Mr. Mitchell. Upon unanimous vote, it was duly adopted on this 3rd day of August, 2005.
